"THE EDITORS" THIRD GATHERING

EDITOR AND COPYRIGHT

Contracts and Copyright

This is the third meeting of "Editors in Context" and it should prove to be extremely interesting for all editors. Members of the Australian Society of Authors will be attending, and it is hoped that the new contract drawn up by the ASA will lead to some stimulating discussion.

Read a copy of this before you come to this meeting. Every publishers should have one - if not, contact the ASA (Phone 927 235)

As this is the last meeting before the AGM, we hope to see you there.
